SUMMIT

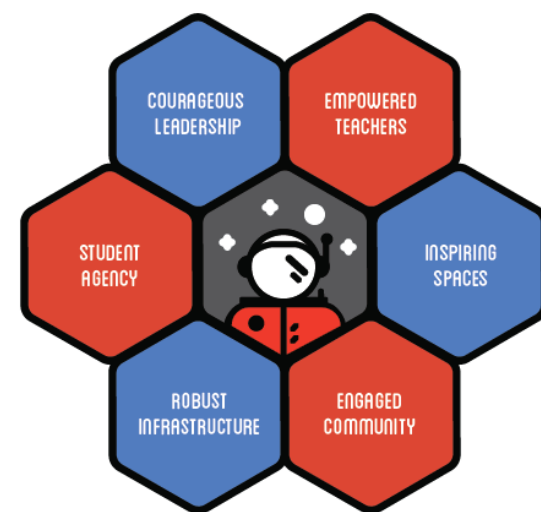

Lakeside Academy
April 30th and May 1st, 2016

ARE YOU FUTURE READY?

Our students are

21st

century learners

so why not join us

at the first Canadian Future Ready Summit?

The workshops are designed to help both educators and educational leaders understand what the skills of the 21st century look like and sound like. Participants will gain the skills and knowledge necessary to plan teaching and learning opportunities for their students. Educational leaders will gain strategies designed to support technology as a tool for learning.
